

Department of Theatre  
Proposed Workload Policy  
(approved 3/22/2011)

The standard assignment for tenured and tenure-track faculty members is 3+3 (approximately 17-19 credit hours) per academic year. The standard assignment for lecturers is 4+4 (approximately 20-24 credit hours) per academic year, with no expectation of research/creative activities and nil or limited service requirements. With the approval of the Chair and Dean, this policy also includes the opportunity for course reductions (typically 3-credit course equivalencies) for selected creative/research activities, administrative duties, and special assignments.
